

Monika Bukovics

Email: monika.bukovics@gmail.com

Portfolio: <https://monikabukov.github.io/>

Location: Newport, Gwent, United Kingdom

Objective:

A motivated and adaptable Games Technology student with a strong programming foundation. Seeking a challenging and educational placement year opportunity in the field of game development to apply and enhance my skills while gaining practical experience in a professional environment.

Education:

University of the West of England (Sep 2022 - Jul 2025)

BSc Games Technology

Relevant Courses and Projects:

- Games in C++: Created retro games using C++ and SFML.
- Games Tech 101: Developed games and AI components in Python.
- Game Development Evolution: Explored mobile game design and game design theory.
- More Games in C++: Created a small multiplayer game using C++ and SFML and a 3D game using DirectX 11.
- Game Engine Programming: Developed an inventory system in Unreal and Unity.

Coleg Gwent (Sep 2020 - Jun 2022)

BTEC Level 3 Extended Diploma, Computing

- Relevant Skills: Python

Athéné Upper-Secondary Vocational School for Tourism IT and Business (2014 – 2016)

ISCED2011: 4, Graphic Artist

"Bogdan Suput" High School – Degree (2009 – 2014)

Level 3 Art Technician

Work Experience:

Tech Specialist (2024 - Present), Foundry

- Developing a 3D simulator using Unity for use with the Igloo VR Cave.
- This role primarily involves the use of Unity to create immersive virtual reality experiences.

Customer Service Advisor (Summer [2022, 2023]), Roper Rhodes, Bath

- Managed customer emails and processed returns using SAP and other software.
- Provided exceptional customer service and demonstrated strong communication skills.
- Quickly adapted to new office processes and technologies.

Machine Operator (Nov 2018 - Jun 2020), Clarks IT, Newport

- Operated machines with precision and adhered to safety protocols.
- Trained new team members and acted as a backup for line leaders.

Skills:

- Technical: Proficient in C++, Python, Unity, Unreal, DirectX 11.
- Soft: Strong problem-solving and communication skills. Ability to adapt to new environments and roles. Detail-oriented and highly organized.
